a warm
WELCOME

Overlooking the famed Holy Name Cathedral, Gemini Grill is a space that caters to all your dining needs. The first floor boasts a beautiful racetrack bar with high-top tables for grabbing a quick bite or cocktail. The timeless main dining room features several cozy clamshell booths with large mirrors hanging directly above them—a subtle nod to the original Gemini in Lincoln Park. During the warm months, an outdoor courtyard offers a vibrant scene where guests enjoy the restaurant’s signature Squirtsky.

Gemini Grill is modeled after Ballyhoo Hospitality’s first concept, Gemini in Lincoln Park, one of Chicago’s most beloved restaurants and a trusted staple in the community since 2009. At the corner of Chicago Avenue and State Street, Gemini Grill is across the street from the famed Holy Name Cathedral. It anchors the newly-completed luxury residence towers, One Chicago, welcoming both residents and newcomers daily.
